

Minutes of the Meeting of Marloes & St. Brides Community Council held on
Monday 13th April 2015 at Marloes Village Hall

Present:- Cllr. L. Beal (Chairman), together with Cllrs. C. Jessop, S. Twidale,
and W. Richards

- Mrs. Y. C. Evans - Clerk to the Council
- County Cllr. R. Owens

Apologies were received and accepted from Cllr. P. Smithies & Cllr. S. Burnett

The Chairman welcomed Mr. Andrew Tuddenham (National Trust) to the meeting. An e-mail from Mr. Tuddenham (AT) had been circulated summarising the responses received at the Open Event sessions. The Youth Hostel Association would be vacating the building at the end of April – some furniture would be left in the buildings. He would be arranging with County Council Highways for the brown sign to be covered. The National Trust will be talking to other stakeholders in the area, and would come back to the Community Council with any new ideas for the future use of the buildings. It was intended that a tender is advertised in late summer, with the intention of signing a contract later in the year so that the new tenant would have the winter months to prepare for an opening next Spring.

A general discussion followed with various points put forward to aid the process:-

Craftsman's Circle to be contacted to see if any of their members would be interested. The main visitor season was about six months so a future user would probably need to supplement their income to cover the remainder of the year. AT confirmed that he would consider using the National Trust magazine to promote this project. Disabled use to be considered. Need to assess how good the internet connections would be for potential tenants. Pembs. Bird Group has already been contacted. AT will consider placing another article in Peninsula Papers. The National Trust want the facility to meet their core objectives at this location. Cllr. Beal thanked Mr. Tuddenham for his attendance, and he then withdrew. (7.50pm)
