

PICTURES FROM THE OPENING OF TOWN MEADOW

Over the years a certain field in Marloes has been home to a variety of events from the expected stock grazing to cricket matches, school sports days, village fetes, and unofficial games of football and tag to name but a few. But Monday 17th October 2016 saw a crowd gather from all areas of the community to witness it become home to a new phase in Marloes life, as the new development by Pembrokeshire Housing was unveiled. Mr Marc Lewis from Pembrokeshire Housing gave some background information about the organisation which is in it's 35th year of providing affordable quality homes. Mr Lewis then handed over to Mrs Yvonne Evans to "do the honours" and officially open numbers 1-8 Town Meadow. Mrs Evans warmly welcomed those present and thanked all those involved over the last 10 plus years in getting the site to where it is today. Many of the occupants-to-be were present and were delighted to have a tour of their new homes, which have been built to a high standard by W.B Griffiths & Sons. A celebratory tea was held in the village hall, the refreshments provided by Mrs Gina Smithies also delighted the crowd!

As I am writing this there are still a few finishing touches needed to complete the houses, but hopefully by the time you are reading it they will be homes, with belongings unpacked and a new phase in Marloes life begun. On behalf of Marloes & St. Brides Community Council, to those new to the village welcome, and to all the residents of 1-8 Town Meadow Marloes, we hope you enjoy your new homes.
